

COVID-19 Response Plan for The Academy of Dance **including Protocols for Safe Reopening 2021**

Risk assessment specific to The Academy of Dance venues

- ***As we are renting premises, rental property Covid-19 guidelines will also apply***
- ***It is Important to note that if we cannot continue in studio with classes due to public health advice classes will continue online via zoom***

1. Procedures for Arrival and Pick-up

- Students should not present for class if they are feeling unwell, or displaying COVID-19 symptoms
- Students should not present for class if they or a family/household member have been in direct contact with a confirmed Covid-19 case
- Students should not present for class if they have recently returned from abroad and are following the HSE and government guidelines regarding travel
- On entering & leaving the building, dancers are required to use hand sanitiser
- Dancers will be required to arrive in practice clothes
- Dancers will be met at main entrance by teacher
- Parents/guardians are asked to wear a face covering when dropping and collecting their dancer(s)
- Wearing of face covering for ages 13+ is to be decided by Parent/Guardian/Dancer
- The wearing of one on entering and exiting the building is advised and recommended by The Academy of Dance
- Changing room and toilet access will be minimised
- A one-way system will be in place at the main entrance to facilitate either drop off or pick-up.
- Dancers should arrive exactly on time, early arrival cannot be facilitated as cleaning and sanitising of the studio must take place between classes
- Teachers will wash hands and use hand sanitiser between classes
- Dancers will be escorted to exit for pick-up
- Parents/Guardians and non-dancers are not allowed to enter the building and must wait outside
- Parents/Guardians must pick-up on time to avoid any congregation of students outside buildings
- Parents/Guardians should maintain social distancing outside the studio while waiting for children
- Parents/guardians are reminded that they must come to the door to collect their child not pull up in a car as this will create congestion and social distancing will be difficult
- Correct amount of Money for classes MUST be brought in an envelope WITH dancers name on it.
- Strict no hand shaking policy
- Practice good coughing and sneezing etiquette

2. Procedures During Class

- Restricted numbers in classes. Exact class size dependant on studio size
- Within the dance studio, 2 metre spacing will be marked out on the barre and in the centre Students will remain in their places
- Classes will be run and sub-divided into the pod/class requirement as advised by public health and government guidelines, this may be undertaking the 'individual pod of 1 concept', 'pods of 6' or what is advised for our sector at the time
- There will be a break between sessions so that the barres can be wiped with disinfectant and the room can be aired
- Dancers are requested to bring their own bottles of water to class
- Strict no hand shaking policy
- Practice good coughing and sneezing etiquette
- Periodic Temperature checks may take place if concern arises regarding the presentation of symptoms

3. Procedure in Case of Non COVID-19 Emergency

- A first aid box with gloves, ice-packs and medical equipment is available in the studio (just outside isolation room)
- The designated first-aider using this area must first wash hands, then put on gloves & face mask on before attending to a dancer needing attention.

4. Lead Representatives re COVID-19 Measures

- Clarissa Michaux & Enda Whelan will be the lead representatives for The Academy of dance.

5. Employer-Worker Engagement, Communication and Training

- The key to a safe and continued return to work requires strong communication and a shared collaborative approach between employers and workers.
- Workplace controls to comply with infection prevention measures including in this protocol should be communicated and explained to all relevant workers and others
- As noted above, an employer will appoint at least one lead worker representative whose role is to work collaboratively with the employer to assist in the implementation of measures and monitor adherence to the measures to prevent the spread of COVID-19. Every workplace will however, have at least one worker representative in place to address these COVID-19 requirements. The worker representative should, together with the COVID-19 response management team, support the implementation of the measures identified in this national protocol. Such a person or persons should be clearly identifiable in the workplace and receive the relevant and necessary training by their employer.

6. Implementing the COVID-19 Prevention and Control Measures to Minimize Risk to Teachers and Students

Policies and procedures for prompt identification and isolation of workers, who may have symptoms of COVID-19. The prompt identification and isolation of potentially infectious individuals is a crucial step in protecting the worker involved, their colleagues, customers or others at the workplace.

- Clarissa Michaux will keep a log of all classes held to facilitate contact tracing
- Clarissa Michaux will inform workers and others of the purpose of the log
- Each teacher will keep an attendance roll to facilitate contact tracing
- Clarissa Michaux will display information on signs and symptoms of COVID-19
- Clarissa Michaux will provide up to date information on the Public Health advice issued by the HSE and Gov.ie
- Clarissa Michaux will provide instruction for workers to follow if they develop signs and symptoms of COVID-19 during work

Our Staff will:

- Make themselves aware of the signs and symptoms of COVID-19 and monitor their own wellbeing
- Self-isolate at home and contact their GP promptly for further advice if they display any signs or symptoms
- Report to principal immediately if any symptoms develop during the shift
- All teachers have undertaken COVID-19 detection, prevention, response and control courses with World Health Organisation & COVID-19 return to sport with Sport Ireland

Venues will:

- Make available the necessary public health advice from the HSE and other sources as appropriate to our staff
- Agree through negotiation with workers any temporary restructuring of work patterns that may be required to implement the COVID-19 prevention measures in the workplace
- As information about the virus is evolving, public health advice is being updated on a regular basis, and it is important for employers and workers in meeting the measures to reduce the spread

7. Return to Work

- Before returning to work, the following pre-return to work steps should be in place and completed by both employers and workers
- The Academy of Dance will establish and issue a pre-return to work form for workers to complete at least 3 days in advance of the return to work
- This form should seek confirmation that the worker is not self-isolating or awaiting the results of a COVID-19 test

8. **Dealing with a Suspected Case of COVID-19 in the Workplace/Class**

While teachers/students should not attend work/class if displaying any symptoms of COVID-19, the following steps outline how employers should put in place a response plan in advance and also deal with a suspect case that may arise during the course of work.

- Designated isolation has been allocated in The Academy of Dance venues
- Other students will not have any access to the isolated person
- Student's parent(s) will be contacted and they will be taken home immediately
- Carer (i.e. ballet teacher) will maintain 2 metre distance
- Both will wear facemasks
- The teacher should avoid touching people, surfaces and objects
- Advice should be given to the person presenting with symptoms to cover their mouth and nose with the disposable tissue provided when they cough or sneeze and put the tissue in the waste bag provided
- Assessment of the incident will be undertaken, which will form part of determining follow-up actions and recovery
- Appropriate cleaning of the isolation area and work areas involved will follow.
- The Academy of Dance venues will provide advice and assistance if contacted by the HSE

9. **Information on Public Health and Occupational Health and Safety**
